

Dear Parent,

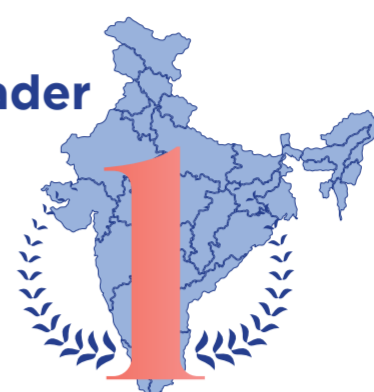

One of the most important decisions you will make for your children is where to send them to school.

Let us, the Xavier's Group of Schools, help you make the right choice.

10 reasons to choose a Xavier's education

We are part of the Ryan Group, **India's undisputed leader in K-12 education.**

Our unique **Learning Management System - Xavier's OS** - combines a state-of-the-art technology platform with time-tested principles of regular school. With over 1 lakh learning resources available 24 x 7, real-time problem solving, regular online assessments and a child-friendly interface, Xavier's OS ensures excellence in education even during school closures.

Academics is the #1 Priority. St. Xavier's students go on to study at several top universities in India and abroad

Sports is given emphasis. At Xavier's, we go beyond integrating physical education into the curriculum: we encourage our students to participate in a variety of sports for the development of strong, healthy and supple bodies and minds.

Learning beyond classrooms. Indian Model United Nations, Astronaut Training Experience Program (NASA), Teen Camp, International Children's Festival of Performing and World Scholar's Cup are some of many experiences our students benefit from.

Nurturing social change makers. Xavier's students understand & empathize with social issues. They undertake projects based on Compassion, Environment, Health Care, Economic Empowerment and Local Leadership Development.

International exposure. We invite expert speakers and teachers from around the world to visit St. Xavier's Schools and hold special sessions for our students.

Modern teaching aids. Our industry-leading Learning Management System ensures our students learn using the latest in ed-tech.

Inter-Xavier's Transfers ensure a child who is currently studying in one of our schools gets admission on a priority basis to another Xavier's school, if the family moves to one of the cities where we have a school.

An education group with over 1000 awards. We have won multiple awards in India and abroad.

If you are looking for a State Board education for your children, look no further than St. Xavier's. It is perhaps the best decision you will make for their future.

New Academic Year Has Started!
